

A Service-Disabled Veteran-Owned Small Business (SDVOSB)

# CORPORATE CAPABILITIES

TO PROVIDE TANGIBLE RESULTS TO OUR GOVERNMENT AND BUSINESS CLIENTS

gTANGIBLE is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and is a registered Federal Government Contractor in the System for Award Management (SAM.gov). Formed in 2009, gTANGIBLE is a proven provider of services to the Federal Government. The company has three functional lines of business:

### • National Security Programs Support

gTANGIBLE is a security provider to the U.S. Government and engages our exceptional group of subject matter experts to provide a full array of information systems security and information assurance (IA) services and the conventional security disciplines such as visitor management and access control, program security, personnel, and industrial security.

### • Professional, Administrative, and Management Support

gTANGIBLE provides program support; logistics; administrative; training instruction and administration; travel administration; analysis; and FOIA/Disclosure Support services for the DoD, DHS, Civil Agencies, and the IC both in CONUS and OCONUS.

### • Mission and Warfighter Support

gTANGIBLE delivers comprehensive support services to the warfighter and operators to assist them in the achievement of their missions. We have a significant history of supporting the U.S. Navy, F-35 Joint Program Office, U.S. Air Force, U.S. Coast Guard, and the U.S. Army National Guard in multiple functional areas such as operational employment of power, personnel, and weapon systems; drug and alcohol prevention, training, logistics including warehousing, force protection, analysis and administration.

## OUR CONTRACT VEHICLES

# CORPORATE CAPABILITIES

## SMALL COMPANY RESPONSIVENESS WITH BIG BUSINESS EXPERIENCE

The company's leadership and management team has worked together for several years, predating our efforts at **gTANGIBLE**. We formerly worked together at a \$2 Billion Government contractor that provided security and operations support for the Department of Defense, the Intelligence Community, and Civil Agencies within the Federal Government. This combination of big business "know how" and experience combined with the flexibility and responsiveness of a small company delivers exceptional results for our customers.

## EXPERIENCE AND FLEXIBILITY

**gTANGIBLE** brings a significant capability profile to each of its contracts. We have extensive program management and support experience derived from years of senior leadership, management and performance with large government contracting firms and the flexibility, versatility, and responsiveness characteristic of a small business. Our program management methodologies include the implementation of a proven tool set inclusive of SOPs, Continuity Binders, Transition Plans, and status information collection matrices.

## DELIVERY AND REPUTATION

**gTANGIBLE** delivers for our customers and our teammates who count on us for true performance and tangible results. It is in our name and who we are.

## STRONG SMALL BUSINESS

**gTANGIBLE** is a financially strong small business. Our systems and infrastructure operate at a level rarely seen in a small business. We have:

- DCAA reviewed accounting system found to be acceptable for award of prospective contract (Cost+ type), Audit Report No. 6331-2015M17740004
- Extensive OCONUS Performance (SW Asia, Middle East and Caribbean/Central America)
- CMMC Compliant. **gTANGIBLE** confirms a DOD assessment is posted in DOD's Supplier Performance Risk System (SPRS) for Enterprise System Security Plan (SSP). The assessment level is basic and the assessment was completed on 7/30/2021. The NIST SP 800-171 security requirements score is 110
- Recruiting. We are proficient, skilled, and timely in recruiting and staffing U.S. Government contract positions. **gTANGIBLE** attributes this success to our Recruiters, processes, and business systems that are focused and tailored to the Federal contract.
- Employee focus. Our employees like working at **gTANGIBLE** as evidenced by our glassdoor.com rating of 4.9\* which is exceptional for a small business in the Government contracting space.
